**Re:** Audit of Awarded Solicitations – June 2023

### Background

Section 6.2 of the Georgia Procurement Manual (GPM) requires that “State entities must publish notice of the results of the solicitation process, including any intended or actual contract awards.” The published notice, known as a Notice of Award (NOA), should include the following:

- The name(s) of the successful supplier(s),
- The amount of any contract award,
- The names of the unsuccessful suppliers, and
- The reasons why those suppliers were unsuccessful.

Section 6.2.2.2. of the GPM states, “the NOA is mandatory for announcing any and all awards resulting from solicitations regardless of the dollar amount.” SPD created the form SPD-AP005 Notice of Award to record the NOA.

### What we audited

SPD Audits identified 114 solicitations posted to the Georgia Procurement Registry in June 2023, with a status of “awarded” (as of July 28, 2023) from 37 state entities. The awarded solicitations had an estimated value of \$22.3 million and are shown by the solicitation process in **Table 1**.

## **Results**

Using the requirements from the GPM and State law as guidance, the audit identified the following:

- 88 (88%) of the 100 awarded solicitations requiring an NOA contained the SPD-AP005 Notice of Award (NOA) form.
- 12 (12%) of the 100 awarded solicitations requiring an NOA did not contain the required form SPD-AP005 Notice of Award (NOA).
- 13 of the awarded solicitations were not subject to the State Purchasing Act and not under the purview of the Department of Administrative Services (DOAS). Consequently, these solicitations are not subject to posting the NOA as the GPM requires.
- One of the awarded solicitations was a Request for Information (RFI), and this type of solicitation is not required to have an NOA.

## **Conclusion**

SPD Audits will contact the state entities that did not post the NOA and ask them to upload the required Form SPD-AP005 Notice of Award as soon as possible. SPD will continue to monitor solicitations that were posted in prior months of fiscal year 2023, which remained in a status of “open” or “under evaluation” at the time of the audit to ensure that the required actions are taken.
